

Welcome to
The Lighthouse Keepers Lunch.

Summer 1

- Characterisation
- Scene description
- Non chronological reports

Summer 2 focus

- Non chronological reports
- Advert
- Diary
- Poetry

Summer 1

Year One - Number – Place Value
Year Two – Statistics
Problem Solving and efficient methods
Geometry – Position and Direction

Summer 2

Geometry – Position and Direction
Problem Solving and efficient methods
Division and multiplication time
Investigations

Summer 1

Identify basic needs for survival
Identify the food chain process
Explore habitats in the local environment
Investigate the pond habitat and micro habitats surrounding it
Identify living things found in different habitats.

Summer 2

Identify the stages of a life cycle
Identify features of living things
Identify the differences between living and non-living things

Geography

Summer 1 and 2

This term our Geography learning will be based around finding out about characteristics of the United Kingdom (Scotland, Wales, N. Ireland, England) including identifying weather patterns. Locating hot and cold areas near the equator and learning about our local area in comparison to the Seaside.

There will be no main history this term, although there will be elements of history threaded through in our English and Geography work.

DT

We will be designing and making lots of things based on our main text.

Lighthouses, baskets, boats, seaside pebble pictures to name but a few.

Art

Look at examples of still life artists (e.g. Cezanne, Arcimboldo)

Key Skills

1. printing
 2. observational sketches
- still life – create own (pastels or chalk and charcoal)

PSHCE

Summer 1

Relationships

1. Keeping safe in the sun
2. Learning to build good relationships with peers by making good choices.

Summer 2

Changes

1. Learning to cope with changes in family life, good and bad
2. Moving into new year groups – coping with change

RE

Summer 1

Who is an inspiring person and why?

Summer 2

Who is a Christian and what do they believe? Who is a Jew and what do they believe?

PE

Acitiv8 will be hosting PE lessons there will be a focus on Athletics in preparation for sports day.

Please make sure ALL PE Kit is labelled and remains at school during the half term.

PE days will be Tuesdays and Thursdays.
