#### Funtington School Development Priorities 2021 – 2022 'Moving Forward Loving Learning'

#### Confidence

## We aim to feel valued and to believe in ourselves. We cater for individual learning styles in order for everyone to become independent learners and achieve their full

To improve
confidence in and
enjoyment of
Reading for our
most vulnerable
children,
particularly in KS2.

## Community

We strive to create a sense of belonging to the school family, our local community and a wider world. We nurture mutual respect, build strong friendships and work together, whilst celebrating diversity.

To broaden understanding and espect for different cultures, religions and world views, challenging bias and promoting equality

#### Success

We inspire and encourage everyone to aim high in a life-long love of learning. We value and celebrate ndividual strengths and promote a wide range of experiences in and outside of the classroom.

## Learning

We work together with enthusiasm to engage in a creative, inspiring and purposeful curriculum. We aim to develop enquiring minds and resilient learners who are equipped to make a positive contribution to life beyond the classroom.

To further strengthen outcomes in maths by ensuring that all teachers continue to embed the Maths Mastery approaches to the teaching of mathematics post pandemic

## Caring

We aspire to create a caring school community. We promote emotional, mental and physical well-being, encouraging everyone to be positive about themselves and others. We work together to respect the school and local environment and know how to keep ourselves and others safe

To create an outside learning space and conservation area for pollinating insects using ideas from the whole school community.
