Further Comments

Ethos

Both my children have been welcomed at Funtington Primary and love attending school. They have great opportunities for a broad educational experience eg. Reading in Chichester Cathedral, visits, plays. They also feel very nurtured and supported.

I think you are very good with creativity and community, both very important in my eyes when it comes to running a school.

My daughter loves school and has relished being on the school council. She enjoys a very supportive warm environment in class, has lovely friends and a fabulous teacher. She is also very able to access a wide range of after school activities.

Communication

I think that there needs to be another parents' evening in the summer. Feb – Oct is a long time. I often have questions after end of year report.

Sometimes when messages are sent it's not always clear which child/class it relates too.

General

The door is always open at Funtington. For a small school with enormous diversity, Funtington perform very well.

My child's time during juniors has been inconsistent and unreliable. Too many supply teachers in Year 3 and 4 and teacher on too many courses in Year 5 and 6

For a village school with limited resource and budget, Funtington perform very well.

Actions

- PTA class reps will be clearly displayed at each classroom for parents' information
- We have already begun to ensure that we are clearer about the intended class/child when sending messages home
- Wherever possible, we now use our regular supply teacher to cover staff absence to ensure continuity for the children concerned
